

Entrepreneurship Cell

Official E-Cell of MIT Manipal

Letter of Appointment

Dear Ankur Kumar,

It is our pleasure to inform you that you have been selected to be a part of our team.

An entrepreneur is an individual that navigates risks and overcomes obstacles, all in the pursuit of a greater objective. The E-Cell of MIT envisions a campus that is installed with virtues such as innovation, leadership and resolve - a place where the spirit of entrepreneurship can run deep.

As an Executive, you and your co-executives hold a unique chance to shape the college's entrepreneurial ambitions for years to come. In your time here with us, you will be given opportunities to grow beyond your own expectations, develop new skills and build a strong sense of professional responsibility. We hope that you and your peers have an experience that is just as fulfilling as the contributions that you make to the organization.

Sincerely,
Best Regards,

Ashutosh Swain
